

BETTERLEYS

in Malawi

APRIL UPDATE & an Expanded Mission

This month, we had the great honor of hosting the Regional Directors of Africa, Brother and Sister Adams. What a blessing and a wonderful visit! We, and all of Malawi, have tremendous respect for the Adams and all they do for Africa.

Throughout the month, we continued to minister to village churches, speaking, preaching, and praying for the wonderful people of Malawi. One of our favorite places was Matindi. We had an amazing Sunday service there where eight adults and four children received the gift of the Holy Ghost!

We had the honor to participate in a service where a new pastor was installed. The former pastor had passed away, and the entire congregation honored and gave gifts to his surviving wife. Brother Betterley preached, and several people received the Holy Ghost. It was a privilege to be part of this special service!

Sister Betterley was also blessed with the opportunity to speak at an outdoor service during a one-day Ladies Conference. Over 200 women were in attendance, and Sis B continues to have a deep burden for all of the wonderful women of Malawi!

A NEW OPPORTUNITY

We're extremely excited and grateful to share that the Lord made a way for us to take a trip to northern Malawi this month too. The Malawian Executive Board has expressed a desire for us to minister to churches in the northern region, but this is a 5-10-hour drive and requires two or three nights in a hotel, and these expenses are not included in our Aimer budget.

We're asking for churches and individuals to please partner with us and help minister to the people in northern Malawi. We'd like to go once a month, but one trip costs about **\$600**.

If you're able to sponsor one of these trips, there are a few ways you can give:

- Mail a check to "Living Hope Church"
- Online at livinghopeupc.com/giving > Malawi Missions
- Through UPCI Headquarters - Account Number is #15045

**THANK YOU FOR YOUR
CONTINUED SUPPORT**
