

# BETTERLEYS

## *in Malawi*

### JUNE UPDATE

June has been a busy and blessed month. We're so thankful we were able to go to the northern part of Malawi again this month because of the support of precious donors.

While ministering in the Lilongwe District Conference, a three-day conference held at the headquarters church in Lilongwe, we were met with such an overwhelming response, it had to be held outside. 400 people were in attendance, 24 were baptized in Jesus' name, and over 15 were filled with the Holy Spirit!

Every Sunday, we have the tremendous privilege of teaching and preaching at village churches throughout the nation, worshipping with each pastor and the precious saints of God. Throughout June, many have been filled with the Holy Spirit and there've been more than 30 testimonies of miraculous healing.

### HOME BIBLE STUDIES

God is moving in a special way and opening doors into people's lives! In June, we began Bible studies in one of the classrooms at the Bible School with some of the campus guards and a woman who recently moved here from Nigeria. It's been a wonderful experience sharing Jesus with them! We've also started another Bible study on Zoom with a young woman we met on the plane to Malawi. We believe that the Lord will continue to move during these small meetings and look forward to the miraculous!

We love and appreciate each one of you and treasure your continued prayers and contributions to the kingdom of God.

*God Bless!*

THANK YOU FOR YOUR  
CONTINUED SUPPORT
