

From the Warm Heart of Africa

Settling In & Serving in Malawi

We've had a busy first week unpacking, settling in, and cleaning up both our home and the Bible school compound. We ran into a few initial hiccups with the water and electricity when we arrived, but everything is getting sorted out!

Most importantly, it has been such a joyful blessing to reconnect with the wonderful people here.

Conferences on the Horizon

Our schedule is picking up quickly—we begin traveling for district conferences this week and are actively gearing up for the General Conference next month!

Thank you so much for your ongoing prayers and generous support. We truly couldn't do this ministry without each and every one of you!

Help Us Finish the Malawi Convention Center

"Buy a Brick" for \$100

Your name will be printed on a brick on our commemorative poster, which will be framed and displayed in the new center to honor our donors.
